

Traxx[®]

*Follow the tracks
of the new Traxx...*

...the perfect balance between design and comfort.

The new models of Traxx® safety shoes from Bata Industrials are the result of the continuous striving for innovation and improvement. With every attention for design and comfort, and a sharp eye for detail, while retaining all of the well-known features. Available in various safety categories, this means that the Traxx® is a complete all-rounder that proves its worth time after time. In every work situation.
